ICT Committee General Meeting

Agenda

30.08.2020

1. During the COVID-19 pandemic, all teachers are encouraged to conduct more online classes through Google Meet to continue the syllabus without disrupting the curriculum.
2. There will be increased use of respective WhatsApp groups for different departments and semesters.
3. Study materials will be shared with students through their respective WhatsApp groups, the college website, and other media channels.

A general meeting was arranged with all the committee members online via Google Meet. Following deliberations in the ICT Committee meeting, several resolutions have been adopted to facilitate uninterrupted academic continuity amidst the COVID-19 pandemic. Firstly, it has been resolved to encourage all teachers to conduct more online classes using Google Meet, thereby ensuring the seamless progression of the syllabus and minimizing disruptions to the curriculum. Secondly, it was agreed upon to enhance the use of respective WhatsApp groups organized by departments and semesters for efficient communication and collaboration among faculty members and students. Lastly, it was decided to facilitate the distribution of study materials to students through their respective WhatsApp groups, the college website, and other appropriate media channels. These resolutions are aimed at leveraging technology to sustain educational activities effectively during these challenging times.

With this discussion the meeting is fruitfully concluded with vote of thanks from the convener.

ICT Committee General Meeting

Agenda

20.09.2023

1. Repair the computers in the computer lab.
2. Encourage all teachers to integrate ICT-enabled learning methods, such as PowerPoint presentations (PPT), various online resources, and documentary films, into their teaching practices.
3. Misc.

A general meeting was arranged with all the committee members in History department. The ICT Committee meeting concluded with resolutions aimed at enhancing technological resources and educational practices. Key decisions include prioritizing the repair and maintenance of computers in the lab for optimal functionality. Additionally, there is a commitment to promote ICT-enabled learning among teachers through modern teaching methods like PowerPoint presentations, online resources, and educational videos. Miscellaneous items discussed will also be addressed to support our technological infrastructure and educational goals, all aimed at creating a more innovative and effective learning environment for students and faculty.

With this discussion the meeting is concluded with vote of thanks from the convener.

ICT Committee General Meeting

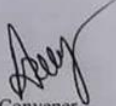

Agenda

20.11.2023

1. Repair the computers in the computer lab.
2. To purchase two laptops and computers for each department.
4. Misc.

A general meeting was arranged with all the committee members in History department. Following discussions in the ICT Committee meeting, the following resolutions have been established to enhance our technological resources and support academic activities across departments. Firstly, it has been resolved to initiate repairs and maintenance of the computers in the computer lab to ensure optimal functionality and usability. Secondly, the committee has agreed to procure two laptops and computers for each department to facilitate efficient and modernized teaching and administrative practices. These resolutions are aimed at improving overall technological infrastructure and promoting effective educational outcomes within our institution. Miscellaneous items discussed during the meeting will also be addressed to further support our technological infrastructure and educational goals, thereby fostering a more innovative and effective learning environment for students and faculty.

With this discussion the meeting is fruitfully concluded with vote of thanks from the convener.
