2023-24

Activity Report on Two-Day International Conference on "Recent Trends in Earth Sciences and Space Science and Their Applications" Organised by the Department of Geography (24.01.2024-25.01.2024)

- The Two-Day International Conference on “**Recent Trends in Earth Sciences and Space Science and Their Applications**” was successfully organised by the Department of Geography & IQAC of Chatra Ramai Pandit Mahavidyalaya in association with Indian Meteorological Department, Regional Meteorological Centre, Eastern Region, Indian Meteorological Society, Kolkata Chapter, and Indian Society of Remote Sensing, Kolkata Chapter on the 24th and 25th January, 2024. Around 103 participants including students, teachers, research scholars and paper presenters attended this conference.
- **Date:** 24.01.2024-25.01.2024
- **Speaker Details:**
 1. **Prof. Prasad Bhaskaran**
Designation: Professor and Former Head, Ocean Engineering & Naval Architecture
IIT-Kharagpur
Keynote Address (Topic): Early Warning System on Tsunami through Mathematical Modeling
 2. **Prof. Dimitrios Karras**
Designation: Professor, National and Kapodistrian University of Athens (NKUA)
Topic: New Developments of AI & ML Applications for Sustainable Society
 3. **Dr.Somenath Dutta**
Designation: Head & Scientist ‘G’, IMD, RMC, Eastern Region
Topic: Recent Advances of Weather Forecasting
 4. **Dr. Brett Davis**
Designation: Principal Structural Geologist and Director, Olinda Gold Pty Ltd
Topic: Using geology to meet tomorrow’s challenges
 5. **Prof.Tapas Kumar Biswas**
Designation: Senior Research Scientist, Environment / CSIRO, Australia
Topic: Climate Change and Bushfires Impact on Water Resources

6. Dr. Rajat Subhra Chatterjee

Designation: Scientist 'G' & Head, Geosciences Department & Group Director, IIRS, ISRO, DoS, GoI.

Topic: Thermal and Microwave Remote Sensing for Geosciences & Geoenvironmental Studies

7. Prof. Ramkrishna Maity

Designation: Professor, Dept. of Geography, Vidyasagar University

Topic: Prevention of Gullying through Check Dam Installation

8. Prof. Biplab Biswas

Designation: Professor, Dept. of Geography, The University of Burdwan

Topic: Trends and Innovations in Geospatial Technology

9. Prof. Lakshminarayan Satpati

Designation: Professor and Director, UGC-HRDC, University of Calcutta

Topic: Application of Geographical knowledge for solving Human-Nature Conflict

10. Dr. Shib Shankar Ganguli

Designation: Scientist, CSIR-NGRI

Topic: The Why and how of seismic and geomechanical approaches for effective reservoir characterization

11. Dr. George Biswas,

Designation: Assistant Professor, Dept. of Geology, Presidency University

Topic: Careers in Earth Science and Future Scope of Earth Science

12. Dr. Pawan Kumar

Designation: Assistant Professor and Incharge, Dept. of Geography, CH. Bansi Lal University, Bhiwani, Haryana

Topic: Understanding the complexity of the Quaternary Glaciations in the NW Garhwal Himalaya, India

13. Dr. Sucheta Mukherjee

Designation: Assistant Professor, Dept. of Geography, Sripat Singh College, KU

Topic: Engineering Geomorphology: Modern approaches to Terrain Studies for building sustainable futures

About the Department of Geography

The department is as old as the college. It started teaching BA general degree and honours course since 2000 and 2003 respectively. Students are admitted in the department as per the University guidelines. Teaching – learning is not just confined to regular class-room lectures. Students are also encouraged to learn on their own and express themselves freely by making them engaged in such activities Group Discussion, seminar and so on. The departmental library has a huge collection of books, magazine and journals and students have free access to it. Excursions and field trips organize by the department regularly. The department has all the latest equipment with proper laboratory for practical exercises. It has 2 Assistant Professors and 1 SACT-I and 2 SACT-II faculty members.

About Kotulpur, Bankura

Kotulpur is a village in the Kotulpur CD block in the Bishnupur subdivision of the Bankura district in the state of West Bengal, India. Kotlu Khan of Gar Mandaran, then capital of the local kingdom, was killed in a war, in the Mughal era. Kotulpur was named after him. Kotulpur is located at 23°00'45.0"N 87°35'37.0"E. Physiographically, this area has fertile low lying alluvial plains.[2] It is a predominantly rural area with 90.06% of the population living in rural areas and only 8.94% living in the urban areas.[3] It was a part of the core area of Mallabhum. According to 2011 Census of India, Kotulpur had a total population of 8,483, of which 4,280 (50%) were males and 4,203 (50%) were females. Population below 6 years was 759. The total number of literates in Kotulpur was 6,653 (86.13% of the population over 6 years). Kotulpur police station has jurisdiction over Kotulpur CD block. The area covered is 250.50 km2 with a population of 167,547. The headquarters of Kotulpur CD block are located at Kotulpur.

How to reach at Our College

The nearest Kazi Nazrul Islam Airport is 103 km away and nearest rail station Bishnupur is 28 km away. Our college is well connected by Arambagh-Bishnupur roadways (SH).

About Chatra Ramai Pandit Mahavidyalaya

Chatra Ramai Pandit Mahavidyalaya was established on 1st march 2000 and it was the Memorial Day for the people of Bankura district and specifically for the whole (Chatra and surrounding villages) area. It was named after the famous poet and the composer of Shunya Purana, Ramai Pandit and he was the resident of this region. It is the result of a prolonged and painstaking effort of many social workers and local people. The college is situated at village Chatra, Krishnanagar mouja of district Bankura with an ideal natural ambience. It is located at a distance of 27 km from Bishnupur and 15 km from Kotulpur. Chatra Ramai Pandit Mahavidyalaya is located in the outskirts of a grove of Eucalyptus and Seal trees in the Lego Gram Panchayat in the Kotulpur Block under the Bishnupur Subdivision of the

District of Bankura. The budding institution is the fruit of industry given by some local education enthusiasts who sacrificed their valuable time in raising contributions from people of various ranks and classes belonging to the locality with the aim of providing higher education to the students of a region neglected and backward, many of whom were first generation learners. The institution started in a single building with only seven students. Gradually, with aids from the State Government and local bodies the building expanded with its own laboratory and library facilities. Presently, it has an area of 11.3 acres with two separate two-storied buildings, it has a playground flanked on all sides by Eucalyptus trees. This State Government aided institution is registered on 17th August, 2007 under Sections 2 (f) and 12 (B) of the UGC Act of 1956. The college is affiliated under the Burdwan University from 2000 to 2016 and from 2107 it is affiliated under the Bankura University.

INTERNATIONAL CONFERENCE ON RECENT TRENDS IN EARTH SCIENCES AND SPACE SCIENCE AND THEIR APPLICATIONS

24-25 January, 2024

Organised by
Department of Geography & IQAC, CRPM

In Association with

- Indian Meteorological Department, RMC, Kolkata, Govt. of India
- Indian Meteorological Society, Kolkata Chapter
- Indian Society of Remote Sensing, Kolkata Chapter

Venue

Chatra Ramai Pandit Mahavidyalaya
Darapur, Kotulpur, Bankura, 722141, India

Strategic Sponsor & Knowledge Partner

Radhanath Sikdar Institute of
Geospatial Science & Technology
(RSIGST)

Formerly International Institute of Remote Sensing & Technology (IIRST)

About the Conference

The objective of the international conference is to provide a forum and raise awareness about the knowledge gained and the services provided by earth scientists help society cope with its environment in many ways. Their knowledge about the structure, stratigraphy, and chemical composition of the earth's crust helps us locate resources that sustain and advance our quality of life. Earth science is made of many branches of knowledge concerning all aspects of the Earth system. The main branches are geology, meteorology, climatology, oceanography, and environmental science. On the other hand, through space exploration, we gain a new perspective to study Earth and the solar system. We advance new technologies that improve our daily lives, and we inspire a new generation of artists, thinkers, tinkers, engineers, and scientists.

Now, the world is facing incredibly serious natural resource and environmental challenges: Climate change (CC), fresh water depletion, ocean over-fishing, deforestation, air and water pollution, the struggle to feed a planet of billions. So, understanding the dynamics between natural variation in and human-imposed influences on the Earth system informs the development of effective solutions to social-environmental challenges for the scientist fraternity. Through this conference, we can gather such incredible take home messages, solutions, combating strategies to sustain on the mother earth without hampering its natural setup and disseminate the findings.

Sub Theme

Atmospheric studies and their applications in CC.
Study on Cryosphere and its applications.

Advances on Soil Research and their applications.

Application Geomorphology and their recent trends.

Developments in Marine Science and Polar Research.

Blue Economy and its aspects.

Advances in Agricultural Science and Forestry.

Advances in Geospatial Ecosystem and its applications.

Application and Prospects in Space Science Research.

Application Geology on Minerals and Ground Water Exploration.

Remote Sensing in Natural Resource Exploration & Conservation.

Use of AI & ML in Earth Sciences and CC.

Applied Hydrology and its role on Reservoir Construction.

Or any other topics related to earth sciences.

Important Deadlines

Submission of Abstract: 21.01.2024 (Extended to 22.01.2024, 5pm)

Intimation of Acceptance: 22.02.2024

Registration: Up to January 22, 2024

Submission of Full Paper: Will be notified later.

Conference Dates: January 24-25, 2024

International Advisory Board

Prof. Prasad Bhaskaran, Ocean Engg and Naval Architecture, IIT-KGP

Dr. Somenath Dutta, Head/Scientist G, RMC, Kolkata

Dr. R.S.Chatterjee, Scientist 'G' & Head, Geosciences, IIRS-ISRO-Gol

Prof. Tapas Kumar Biswas, CSIRO-Environment, Australia

Prof. L.N.Satpati, Geography, UGC-HRDC-CU

Prof. T.K.De, Marine Science, CU

Prof. Biplob Biswas, Geography, BU

Prof. Ramkrishna Maity, Geography, VU

Prof. Vasilis Tsikouras, Geology, UBD, Brunei

Dr. Brett Davis, Olinda Gold Pty Ltd.-Geology, Australia

Prof. Dimitrios Karras, General Science, Greece

Dr. Shib Sankar Ganguli, Scientist, CSIR-NGRI

Dr. George Biswas, Geology, PU

Dr. Sucheta Mukherjee, Geography, SSC-KU

Dr. Pawan Kumar, Geography, CBLU

Registration Fees (Without Accommodation)

Registration charges for participants include participation, Tea, Lunch, and a conference kit. It is mandatory to all except our guests and invited speakers.

* A copy of an institutional ID or a letter from the Departmental Head is required to avail the student's registration facility. (Recent)

Category	Rs	USD
Faculty Members/Scientists	1500	200
Research Scholar*	1000	150
Institutional/Company Delegates	2500	300
Students (UG/PG)**	400	50
Accompanying Persons**	1000	200

** Fees do not cover conference kit.

Registration Process

The fee should be paid by demand draft drawn of any nationalized bank drawn in favor of Principal, Chatra Ramai Pandit Mahavidyalaya or preferably by Electronic transfer/NEFT/RTGS (document to be uploaded while registering) in the account no. given here

Account Name	Principal, Chatra Ramai Pandit Mahavidyalaya
Name of the Bank	State Bank of India
Branch Name and Code	Bishnupur
Account Number	34973413340
RTGS/NEFT IFSC Code	SBIN0000044
MICR No	722002501

Abstract Submission

All are cordially invited to submit their abstracts based on findings, innovations, best practices, a new methodology, or research work in the form of practical, theoretical, and methodological aspects of identified themes and related areas and case studies. The participants are requested to send the abstracts latest by 25th February 2024.

Please consider the following guidelines, and deadlines to facilitate the submission and subsequent follow-up process.

• The abstract must be written in MS Word document (A4 size), Times New Roman, 12 font size, and 1.15 line spacing without inserting any special symbol, formula, diagram, table, or reference.

• An outline of the abstract is as follows –

a) Title (Max. 25 words)

b) Author's name/s

c) Affiliation/s

d) Email (corresponding author)

e) Abstract body (Max. 300 words)

f) Keywords (Max. 4 keywords)

The abstract should clearly indicate the research problem, the methodology, and the results of the work within 300 words.

AWARD:

Best paper and best poster award will be given in this Conference.

About Post Conference Publication

Full papers of good academic quality selected after due double blind peer review and review by Conference publication committee shall be brought out in an edited book with ISBN or outstanding papers will be published through reputed publishing house (Scopus/WoS) without any publishing fees.

Fill the Google form after successful payment to complete the Registration Process
